About brand

HorseLinePRO is a professional supplements brand for horses. HorseLine PRO products are based on clinical trials and top quality feed materials proven for years by Pokusa for health brand- a market leader among producers of natural supplements for pets in Poland. We are making healthy and safe products, alternative to preparations based on “chemical enhancers”.

In production we are using ingredients of pharmaceutical and HUMAN GRADE quality.

HorseLinePRO includes 14 especially prepared products which are used by the best physiotherapist, blacksmiths, trainers and riders in Poland.

We are offer supplements
without chemical ingredients
as an alternative for people
who love their animals like us!
